## Descrizioni fornite dal cantiere

With plenty of room for friends, family, and gear, the Tiara 4200 Open offers room to spare, allowing any Tiara owner to travel in style. An upper cockpit wetbar with sink, cutting board, refrigerator, and insulated cooler aft mean that the sportsman and cruiser alike will have enough room for preparation and storage of bait, fish and food. An automatic rope / chain anchor windlass system with operation from foredeck foot pedal and remote switch at the helm, ensures that in high or low seas, the captain will remain in control. The 4200 Open features a hull and deck constructed with a gelcoat outer layer, hand-laid fiberglass and balsa core (deck and hullsides) with a special blended premium resin. The custom composite windshield frame, with tempered safety glass, offers safety handrails, power opening center section, and three washer / wipers. Tiara's custom 12V DC and 120V / 240V AC electrical system, 100 amp battery charger Mastervolt for the service batteries and 25 amp battery charger Mastervolt for the 4 engines batteries.
